

TPM Tunnel Series

Robust and energy efficient replacement for conventional tunnel lights.

Built on the backbone of Conveyor Master. Tunnel Master that provides unmatched performance for illuminating mining tunnels.

The Tunnel Master is lightweight and versatile with the flexibility to fit many different application.

The Tunnel Master is designed to provide the most energy-efficient of delivering a level of luminance that far exceeds that of its comparable gas discharge lamp predecessors.

Designed for use in:

- Tunnels and corridors
- Enclosed Conveyor Belts
- Enclosed Conveyor Walkways
- Stairwells and platforms
- Confined Spaces
- Wall and Bulkhead lights
- Switch Room

INTEGRAL EM-PACK

GREEN EYEWASH

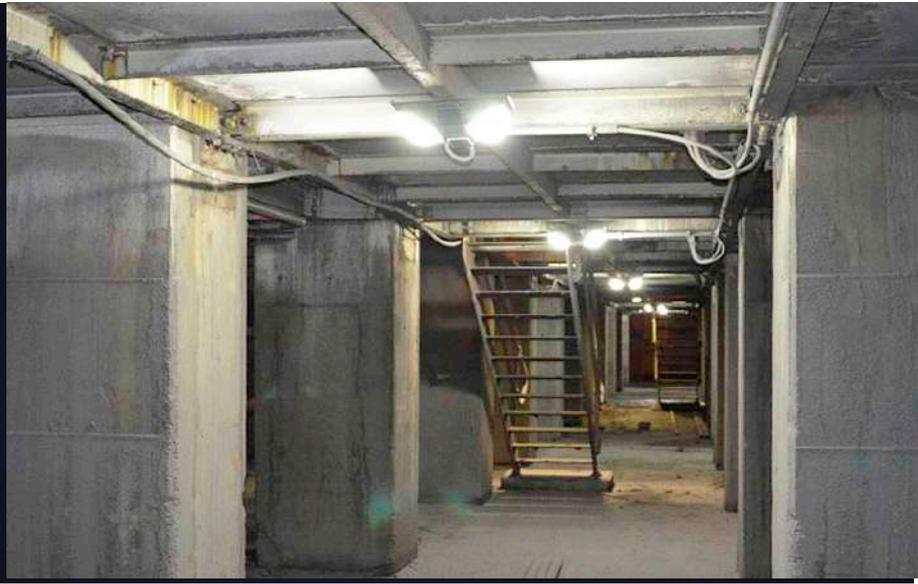

AMBER

5 YR WARRANTY	66 IP RATING	08 IK RATING	70/80 CRI	140-150 LM/W
----------------------------	------------------------	------------------------	---------------------	------------------------

Solid body design

- Resistant to Vibration
- IP66 / IK10
- Chemical Resistant
- High Pressure Washable
- Unaffected by Severe Temperature Variations

OPTIONAL PARTS

EMERGENCY 5W 3 HOURS

12-24V DC

MODEL	POWER	LUMENS	INPUT	BATTERY	CCT / COLOUR
STANDARD SERIES					
TPM TUNNEL SERIES 48W	48W	6960	AC	Built in	3000K-6500K
TPM TUNNEL SERIES 70W	70W	10150	AC	Built in	
TPM TUNNEL SERIES 48W-A	48W	-	AC	Built in	Amber
TPM TUNNEL SERIES 48W-G	70W	-	AC	Built in	Green

Luminous Efficacy	140-150lm/W(CRI 70)		135-140lm/W(CRI 80)
AC Input	90 - 305 VAC (EM: 220-240V AC)	Mounting Option	Horizontal And Vertical Spigot Mount
DC Input	12 -24 VDC	CRI	>70 (Optional >80)
LED Chip	Lumileds Amber : Green	IK IP Rating	IK08 IP66
Battery	5W 3H Battery (only EM Models)	Body	Black Aluminum Alloy PC Lens Glass Cover
CCT/Colour	3000K-6500K / Amber / Green	Cable / Gland	M16
Operating Temp	-30°C ~ +50°C	Size(mm)	350x310x106
Input Surge Protection	20 kV SPD(optional)	Weight (kg)	5.5 (Standard range) / 5.8(Emergency range)
PF	>0.95	Lifespan	>50,000
Intelligent Controls (Optional)	DALI Control	Warranty	5 Years (3 Years battery)
