MR16 RECESSED EMERGENCY REMOTE

The CROW series of remotes feature MR16 lamp technology that are designed for superior light output. The compact, recessed design has a modern look that blends perfectly in today's retail and commercial environments. The steel gimbal lamp mounting assembly and trim plate makes lamp positioning quick and easy. The CROW series is supplied standard in a white finish. The operating temperature is from -22°F up to 104°F (-30°C to 40°C).
