

Beezer Series

Area Light & Flood Light

Project:	
Type:	
Catalog #:	

Beezer Series is a high-powered fixture that can work as LED flood light and area light with T2/T3/T4/NEMA 6Hx4V/NEMA 3Hx3V from 180W-600W. It's a better alternative for traditional flood light and area light with quick payback and improved performance.

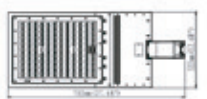

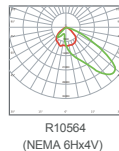

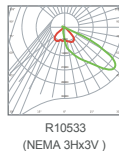

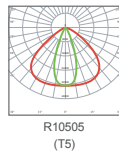

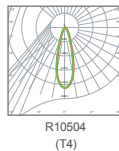

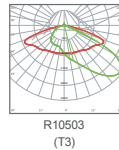

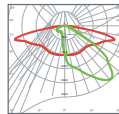

FEATURES

- Combination of Area Light & Flood Light
- External Airflow Fins For Better Heat Dissipation
- Various optics to fit different applications

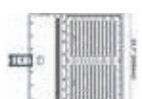

APPLICATIONS

- Outdoor Parking Lot
- Outdoor Sports Court
- Car Dealerships, Parks
- Squares, Campuses
